

Join HMSSG: Herefordshire Museum Service Support Group

Our Museum collections represent the portable heritage and memories of the people of Herefordshire. HMSSG supports the Herefordshire Museum Service in its key responsibilities. These are to care for, enhance, display and make the collections accessible to all.

The professional staff of the Herefordshire Museum Service provide all the education conservation and exhibition activities at Hereford Museum and Art Gallery at Broad Street, the Museum Resource and Learning Centre (MRLC) in Friar St, where the historical and art Collections are stored, and the timber-framed Black and White House Museum in High Town.

HMSSG was formed in Summer 2015 in response to budget cuts by Herefordshire Council. The Group aims to promote a viable and sustainable future for the Museum Service by raising awareness, seeking funds and grants and working with other groups and organisations involved in Herefordshire's cultural sector.
